Service Guarantee		●

ABSOLUTE VISIBILITY provides hardware, software and device location insights, plus Student Technology Analytics is also included to assess Chromebook usage and correlate against student performance.

ABSOLUTE RESILIENCE includes all Absolute Visibility features plus Geofencing. Best practices are also shared through **Absolute's Safe Schools program**. Device Investigations and Theft Recovery is also included, along with Absolute's Service Guarantee. If a device is reported stolen and Absolute is unable to recovery the device, Absolute will provide a Service Guarantee payment to cover the replacement costs. Terms and conditions apply.
